Complete Frame Assembly With Safety Cover For Berkel Tenderizer 703, 704, 705

- 1. Introducing our Meat Tenderizer Unit, a must-have tool for every kitchen. This innovative device is designed to effortlessly tenderize meat, making it more succulent and flavorful.
- 2. With its sturdy construction and ergonomic handle, our Meat Tenderizer Unit ensures easy and comfortable use. Its sharp stainless steel blades penetrate the meat, breaking down tough fibers and allowing marinades and seasonings to penetrate deeply.
- 3. The Meat Tenderizer Safety Cover is a must-have accessory for any kitchen.
- 4. Designed to ensure safe and efficient meat tenderizing, this cover provides a protective barrier between your hand and the sharp blades of the tenderizer.

The above described parts are manufactured and/or supplied by National Band Saw Company as replacement parts for equipment. National Band Saw is not affiliated with any original equipment or parts manufacturers.

Turn your tenderizer into a kneading machine by changing the position of the rear stripper and feed 2-3 smaller pieces of hard-to-merchandise pieces to form one value-added kneaded steak.

Designed to enhance the functionality of your tenderizer, this attachment allows you to effortlessly knead dough for bread, pizza, and other baked goods.
